Reference Letters

Reference letters are one way that we are able to learn more about you and how you will do as a volunteer. You need to ask two (2) adults who know you well to write a reference letter for you. Typically this letter will talk about what you are good at and what your strengths are. You can ask a teacher, a coach, a neighbour you babysit for, etc. Only one of your references can be related to you.

You should collect these reference letters and bring them in with your application. Be sure to give your reference some time to write the letter for you – don't ask them at the last minute. If your references need more time, you can bring the letters to your interview. Please list your references here.

Name of Reference	How do they know you?	Email or Phone #

Questions

Please answer the following questions on a separate piece of paper, typed, in as much detail as possible.

Please be very honest. Your answers will be used to help make your experience as positive as possible.

This should be your own work. Please complete it yourself (i.e. do not copy from a friend or have your parents do it for you).

1. Why are you interested in becoming a Jr. StreetLeader this summer?
2. What concerns, if any, do you have about this position?
3. What life experiences do you have that will help you as a volunteer with UrbanPromise?
4. What do you want to learn this summer?
5. What are your strengths?
